

Lagar de Isilla
2005 Roble

Tempranillo 100%

Fermented at controlled temperatures

Macerated with the skins for 25 days

5 months in American and

French oak barrels

4 months in bottles

Very intense red cherry colour with
violet tones in the rim

Smells of dark berried compote with
mineral hints and a slight vanilla hue
provided by the wood

Plenty of fruit well assembled with the
smoky touches given by the oak.

The finish is very nice, tasty and long
