

Vignale 2006

A neutral, light, dry, white wines that is high in acid.

The wine is very pale in color and, at times, exhibits an attractive, bitter almond note in the finish.

Alc vol 11.5%

80% Trebbiano - 20% Malvasia del Chianti.

An excellent aperitif, that pairs well with light pastas, poached fish, spicy meals, appetizers, chicken breast, squid, light fish, shrimp, crab, lobster, white cream sauces, and sushi.
