TOBIN JAMES ZINFANDEL "BALLISTIC"

The Zins from Paso tend to be more floral in character than from other areas yet you'll find hints of tobacco and spice. This wine is very well structured with flavours of bold dark fruit and an intriguing and deep finish.

Since 1985, Zinfandel has been our flagship varietal. From 27 different vineyards, the Ballistic Zinfandel is molded into the perfect example of Paso Robles Zinfandel. With gobs of rich fruit and jam, and just the right amount of pepper and spice, you can pair this with just about anything!
