Langhe Bianco DOC “Armonia”

- **Grapes:** Arneis 50% and Sauvignon Blanc 50%
- **Production area:** Treiso and Roero area
- **Bottiglie prodotte:** 10,000 bottles / year
- **Vinification:** short cold skin maceration, decantation of the must and subsequent fermentation at 17-18 ° C to maintain the typical aromas of the vines and yeasts. The wine remains in aging on the lees for about 6 months.
- **Characteristics:** The color is pale straw yellow with golden reflections. The scent is floral and reminiscent of yeast and bread crust; the Sauvignon provides intense and floral aromas while the Arneis gives body, minerality and volume. The flavor is rich, savory and fresh.
- **Suggestions for consumption:** It is a very full-bodied white that stands out for its very intense aromas, excellent for grilled seafood, light pasta dishes and robust cheeses. It expresses its best within 5 years of bottling.
- **Serving temperature:** 9-10°C
