Harvest date: 2nd April 2023

Bottling date: 6th September 2023

Tūpari 2023 Pinot Gris

The Pinot Gris block sits atop the Tūpari cliffs, protected from the strong winds by a small woodland. It is the large daily temperature fluctuations that are favourable to long and slow ripening, intensifying the varietal flavour characteristics.

A single vineyard wine, the 2023 Tūpari Pinot Gris is dry, richly flavored and mouth filling. Distinguishing ripe pear and ginger notes, a luscious texture and a long, elegant finish make this a must try wine.

Food match:

This Pinot Gris is full-bodied so compliments seafood, creamy dishes, lamb or a simple oven-roasted chicken.

Cheese match:

Enjoy with aged brie or camembert, a very light blue cheese or mozzarella.
