

## Château Bonisson

Cuvée B Blanc BIO

Coteaux d'Aix-en-Provence AOP

Cuvée B, for Bonisson, signs a range of fine **Provençal wines** which symbolizes the family's desire to honour all three colours present in the estate's vineyards. Made from the **finest parcels**, these wines represent the best that nature has to offer in each vintage. The alchemy of blending adds that extra *je ne sais quoi* every year, to give the purity, intensity and ageing potential that only the greatest wines possess.

Bright, pale color with silver highlights.  
Nose revealing mixing notes of boxwood, cassis, passion fruit and fresh pear.  
Palate with a nice volume, a salivating mid-palate, balanced between acidity and fat, marked by a structured and persistent finish.

**VARIETAL BLEND** Vermentino (70%),  
Sauvignon Blanc (30%).

ALC 13.5 %

Bottle size 75 cl
